Comments: This delicious fruit salad made with **Ayam brand fruit cocktail** is very low in sodium & contains dietary fiber, manganese, vitamin C & selenium. Boost your immunity with this fruit salad as one serve of it provides about 37% RDA of vitamin C which is a potent antioxidant that can protect our body from free radicals, which may cause heart disease and cancer. The saturated fat in this recipe can be further reduced by substituting the full fat ice cream with reduced fat version.
